Dining Services

Husson University Dining Services welcomes students, faculty, staff, and guests to a variety of dining locations across campus. Our team is committed to providing quality food, exceptional service, and diverse menu options designed to meet the needs of our university community.

Dickerman Dining Center

The Dickerman Dining Center serves as the university's main dining facility, offering a wide variety of freshly prepared meals and menu selections throughout the day. Our culinary team strives to provide nutritious, flavorful options in a welcoming dining environment. The dining center features a four-week rotating menu that provides variety throughout the semester, as well as regularly scheduled themed meals and special events that bring unique flavors and dining experiences to campus. In addition, a dedicated dietary accommodations station is available to support guests with food allergies, sensitivities, and other dietary preferences or restrictions.

Eagle Grab & Go

Located inside the entrance of the Dickerman Dining Center, Eagle Grab & Go provides convenient dining options for students on the move. The location offers meal equivalencies until 10:00 p.m. daily and features a fresh salad bar, pre-made cold wraps, snacks, energy drinks, and a variety of other beverages. Whether students are looking for a quick meal between classes or a late-night option, Eagle Grab & Go provides flexible and convenient choices throughout the day.

Cressy's Marketplace

Located on the lower level of Peabody Hall adjacent to the Campus Center, Cressy's Marketplace features breakfast items, hot and cold sandwiches, burgers, salads, and daily specials. Guests can also enjoy a variety of cooked to order favorites, including steak and cheese sandwiches, chicken tenders, and other grill selections. In addition, Cressy's offers a wide selection of beverages, packaged snacks, and convenience items.

Willey's Café

Conveniently located next to the Furman Student Center, Willey's Café proudly serves locally roasted coffee from Wild Life Coffee Company. Popular offerings include specialty coffee and espresso beverages, house-made panini sandwiches, fresh pastries, and other light fare. Willey's is also known for its popular Red Bull mixers, which have become a student favorite and provide a refreshing energy boost throughout the day.

Harold Alfond Hall Kiosk

Located on the ground floor of Harold Alfond Hall, the kiosk offers a variety of specialty beverages and snacks in a convenient location. Guests can enjoy locally roasted coffee from Wild Life Coffee Company, cold brew coffee, refreshing boba tea, and a selection of pastries and grab-and-go items. The kiosk is also home to our popular bubble waffles,

providing a unique and delicious snack option for students, faculty, and staff throughout the day.

Dining Services Food Truck

Husson University Dining Services operates a campus food truck that brings fresh menu offerings directly to students across campus. Throughout the semester, the food truck hosts pop-up events at various locations, featuring rotating menus, specialty items, and themed offerings. These events provide convenient dining options while creating unique opportunities for students to gather and enjoy new culinary experiences.

Athletics and Recreation

The Athletic and Recreation facilities include the Newman Athletic Complex, which features basketball and volleyball courts, a 25-yard, six-lane competitive swimming pool, a strength-training room, and a dance studio. The Swan Fitness Center offers cardiovascular machines, weight machines, free weights, televisions, and a sound system. Husson University's outdoor athletic and recreation facilities include the Winkin Sports Complex with the Harold Alfond Diamond, the Boucher Soccer Pitch, the O'Keefe Softball Field, tennis courts, an outdoor basketball court, and an outdoor volleyball court.

The University offers an extensive intramural, recreational, and intercollegiate athletics program for both men and women. Husson University's intercollegiate athletic programs compete in NCAA Division III and maintain membership in several athletic conferences.

Husson campus facilities also provide many opportunities for informal recreation and wellness activities throughout the year.

Bookstore

Husson University's Bookstore is operated by Barnes & Noble Education.

This partnership enables us to offer the Eagle Book Bundle (EBB), an equitable access program that allows all full-time undergraduate students to receive all of their required textbooks for \$28 per credit hour in which they are enrolled. All full-time undergraduate students are automatically enrolled in EBB, and the charge is included on their billing ledger. Students are encouraged to conduct a cost comparison each semester to ensure they will benefit from EBB, and if not, they should opt-out and purchase/rent their books à la carte. Students who have opted in must confirm their order 30 days before the start of each semester. For more information on the EBB, please visit <https://www.husson.edu/student-life/facilities/bookstore>. The bookstore also offers a robust assortment of Husson University-branded apparel and gifts, as well as school supplies and a small selection of technology products.

Student Employment

The Human Resources Office serves as a bridge between students and the campus community by assisting students in obtaining part-time jobs in various departments on-campus. Not only can an on-campus position provide some extra income and structure for your academic career, but it can also build a resume and enhance professional job skills and competencies. An on-campus employment position is often a great way to become more connected to the University community.

Safety and Security Services

Husson University is committed to providing our faculty, staff, students, and guests with a safe and friendly environment both on and around our campus. Our Safety & Security Department staff consists of 8 full-time and 4 part-time Security Officers providing 24/7 campus coverage. Officers patrol the campus, respond to complaints, investigate incidents, and provide an array of services, such as assisting with vehicle issues, unlocking doors, issuing Husson University photo ID cards, managing lost and found property, and providing "safe walk" escorts for students and employees on campus. We conduct drills and engage in planning, training, and emergency preparedness activities. Each year, Husson University publishes an [Annual Security Report](#), which includes public criminal and fire safety statistics for our campus. Maine is one of the safest states in our nation, and Husson University is a particularly safe campus community. Although incidents can occasionally occur, as they can in any community, we maintain a strong working relationship with the Bangor Police Department and work closely with them when appropriate to support safety and well being. We truly believe that we all share a responsibility to keep our community a safe and enjoyable place to live and visit. To assist us in this collaborative safety approach, we strongly encourage all members of our community to report any concerning behavior, statement, or incident involving our Husson community.

Our Safety & Security Department manages Husson's free EagleSafe mobile app. Along with the dining menu and hours, athletic information, and campus activities, the app includes safety tools and features such as Mobile Blue Light and Social Escape. The app also allows you to

anonymously report a concern, call for assistance, access emergency plans, or share your location with a trusted friend.

Husson University uses the Rave emergency notification system. In an emergency, this system will be used to notify you by email, text, social media, and the website, as well as display messages on the campus digital boards and subscriber devices. The Safety and Security department collaborates with Student Life to offer CPR, personal safety, and other programs. For additional information, please use the information on our website to learn how to report suspicious activity, prevent crimes, and practice responsible behavior. Husson University Safety & Security is located at 106 Peabody Hall and can be reached at any time by calling 207.941.7911
